Dear Parents,

Namaskar

As a part of CBSE Reading Mission, we are excited to announce that our school is participating in the **CBSE Reading Challenge** for which the first round will be held on **3rd September for grades VI & VII** and on **4th September for grades VIII to X**. Students can enroll themselves to participate in their preferred language ie, English or Hindi.

The CBSE Reading Challenge is a fantastic opportunity for students to immerse themselves in the world of reading and improve their comprehension skills. Encourage your ward to participate and make the most of this enriching experience!
