Circular No JPIS/24/159

Dear Parents & Students

Namaskar!

"Celebrate a day in **परवाह अपनों की** — let's join hands in the mission, here at JPIS." We are delighted to announce that JPIS, in collaboration with school clubs, parents, and students, is organizing the mission **परवाह अपनों की** from 19th to 28th October 2024. Let's come together and bring smiles to millions of faces by participating in the **परवाह अपनों की**.. a Donation Drive during this festive season. Donated items will be distributed to orphanages and old age homes, and a one-day meal will be prepared and donated to village schools.

To make this initiative impactful, we encourage everyone to contribute generously through the following donations:

- Food items, flour, Lentils, sugar, spices, tea leaves etc (dry and packed)
- Toys, games, books, notebooks, geometry boxes (used but in good condition)
- Clothes, Woolens, blankets, bedsheets
- Medicines: For fever, cold, and cough (please ensure they are not expired)

Note: This is both a dry item and cash donation drive. A link for cash donations will be shared soon.

Students can submit their donations to their respective class teachers between 19th and 28th October 2024.

We look forward to your full cooperation in making **परवाह अपनों की** a successful donation drive.

Jai Hind

Ms. Ruby Chandel (Principal)
