**Circular No. JPIS/24/219**

Dear Parents,

Namaskar!

We would like to inform you that the submission of project synopsis file is a mandatory requirement for all students regarding the Annual **IDA(STEM)** Project Examination for **Grades V to IX**. Kindly take note of the following details:

**1. Project Synopsis Submission**

- Each group is required to submit a **two-page project synopsis** detailing their work, methodology and results.
- The project synopsis must be uploaded via the provided link [[SUBMISSION LINK](#)].

**2. Project List**

- A list of assigned projects is attached to this circular for reference. All students must ensure they are working on the correct project allocated to their group.
- [[PROJECT LIST](#)]

**3. Deadline for Submission**

- The last date for submission of the project synopsis is **22<sup>nd</sup> January 2025**.
- **Note:** Submission beyond the deadline will not be accepted under any circumstances.

**4. Additional Information**

- Please note that this is solely a documentation step. Component arrangement should commence only after the component list submitted in the project synopsis is verified by IDA mentors.
- Students are responsible for independently arranging all components required for their projects.
- For any clarifications, you may reach out to **Mr. Vishal Sir** or **Mr. Amar Sir**.
